SMART MESSAGE CONTACT INFORMATION SHEET

Smart Message is a mass messaging system that is used by Wayne County to disperse pertinent information. This system will be used for notifying the Huron Township CERT team about deployments, weather / disaster warnings and other important information.

Below, please check the box or boxes you want for your preferred contact methods and provide the information requested. You can choose as many as you want.

All information you provide is held private and is only used for the purpose of providing you with important information through the Smart Message system.
